No. 287 —

RULES FOR ADMISSION TO THE MADRAS PROVINCIAL CIVIL SERVICE.

PART I.

General Rules common to all India.

The Government of India have ordered that the following resolution (Home Department Resolution Nos. 1046-1058, dated 19th August 1910) should be printed as part of the respective provincial rules:—

The Governor General in Council has had under consideration the recommendation made by the Royal Commission on Decentralization at the end of paragraph 123 of their Report on the subject of framing rules for the recruitment of provincial services. The majority of the Commission consider it unnecessary that rules for the recruitment of those services should, as is now the case, require the sanction of the Government of India, and they express the opinion that the functions of that Government should be limited to laying down a few general principles as to eligibility for appointment, etc., on which detailed provincial rules would be based.

2. In the present Resolution the Governor General in Council proposes to deal only with the Provincial Civil Services (executive and judicial). The case of other provincial services will be separately considered.

3. The present system under which the previous sanction of the Government of India is required to making or altering the rules for the recruitment of the Provincial Civil Services was introduced in 1892 as the result of the Report of the Public Service Commission. The Governor General in Council has now decided to accept in substance the recommendation of the Decentralization Commission and is pleased accordingly to invest local Governments with the power to make rules for the recruitment of the Provincial Civil Services without the previous sanction of the Government of India, but subject to their general control. The general conditions which should govern such recruitment have been already fully considered in connection with the inquiries made by the Public Service Commission, and the Governor General in Council, upon a further consideration of the subject, sees no reason to modify the conclusions then arrived at. It will, however, be convenient to re-state them in the present connection as follows:—

I.—The rules must be adapted on the one hand to obtain thoroughly efficient candidates and, on the other, to secure the due representation in the public service of the different classes of the community.

II.—Every candidate for appointment by recruitment must furnish satisfactory evidence—

(*a*) that he is not over 25 years of age, except in the case of Barristers, Advocates or Pleaders appointed to the judicial branch; these excepted cases will be governed by article 51 of the Civil Service Regulations;

(*b*) that he has attained a prescribed preliminary standard of general education to be fixed by local Governments with reference to local conditions, the object being to secure men qualified by as high a standard of general education as the conditions and requirements of the local administration permit. In particular, qualification in one or more of the vernacular languages of the province in which he is to be employed is to be insisted on. The vernacular standard should be a high one, involving a thorough knowledge of the language and ability to write and read the written character with facility;

(*c*) that he is of sound health, good physique, and active habits, and

(*d*) that he is of good character.

III.—Every person appointed to the Provincial Civil Service by direct recruitment shall be subject to a period of probation of training during which time his appointment will be probationary only, unless in special cases the local Government declares such probation or training to be unnecessary.

IV.—The subjects of Native Princes in alliance with His Majesty shall be eligible for appointment, provided they are qualified in other respects.

V.—Admission to the Provincial Civil Service should usually be confined to persons who are natives of the province or have definitely settled in it; in the case of candidates who are not natives of the province recent residence of at least three years in

the province should, as a general rule, be an essential condition of admission. No Barrister Advocate or Pleader should be appointed as such, unless he has been at least three years actually practising his profession in India and can speak the provincial vernacular.

VI.—Europeans who are not statutory natives of India shall be eligible for appointment, if qualified according to the above conditions, with the sanction of the Government of India.

VII.—The local Government should reserve to itself the right to make promotion to the superior grades of the Provincial Civil Service without regard to seniority, and seniority alone should not give a claim to appointment to the grade of Rs. 500 a month and higher grades.

VIII.—The Government of India retain power in very special cases to make direct appointments to offices in the higher grades of the Provincial Civil Services, and whenever the Government of India exercise this power in the case of judicial officers, it will be confined to Barristers, Advocates, or Pleaders of the High Courts who have shown distinguished ability in the exercise of their profession for not less than ten years and have a thorough knowledge of the vernacular.

IX.—No member of the Provincial Civil Service shall be dismissed otherwise than on the result of a judicial or formal departmental inquiry.

4. The Governor-General in Council directs that any change made in the rules from time to time should be forthwith communicated to the Government of India in the Home Department in order that they may be in a position to exercise effective general control. His Excellency in Council considers it desirable, moreover, that this resolution should be published by the local Governments and Administrations as part of the respective provincial rules.

DEPARTMENT OF COMMERCE AND INDUSTRY.

POST OFFICE,

No. 1890-52.

Simla, the 15th April 1916.

RESOLUTION—By the Government of India, Department of Commerce and Industry.

The Government of India have recently considered the amendment of the rules for the guidance of depositors in the Post Office Savings Banks, with the object of simplifying the existing procedure in regard to investments in Government Securities and of extending the rules so as to make them applicable to the purchase and sale of holdings in the 4 per cent terminable loan of 1915-19 through the Post Office.

2. It has consequently been decided that :—

(*a*) the limit for investments through the Post Office Savings Banks in Government Securities should be advanced to Rs. 10,000, and that this should be a total limit to each investment irrespective of the loan in which the investment is made ;

(*b*) the distinctive limit of Rs. 4,000 now imposed in the case of a minor should be abolished ;

(*c*) the issue of Investment Certificates should be limited to Rs. 100 a month ; and

(*d*) the existing rule which allows two or more investment certificates to be exchanged for a single one of the same aggregate value should be abolished, as this rule is not required now that provision exists for exchanging Investment Certificates for whole pieces of Government paper.

3. The Governor General in Council is therefore pleased to direct that the following rules shall be substituted for those bearing the same numbers which were published with the Resolution in this Department No. 1446-1449-29, dated the 8th March 1914, and that they shall come into force with effect from the 15th May 1916.

INVESTMENTS.

Purchase of Government Securities.

45. (1) Any person whether previously a depositor in the Post Office Savings Bank or not may invest through the Post Office in Government securities, either in one of the 3½ per cent loans or in the 4 per cent terminable loan, or in both.

(2) The total amount, after deducting any sum sold through the post office, which may be invested through the Post Office by an individual investor is Rs. 10,000.

NOTE.—This limit will be applied with reference to the nominal value of the securities purchased. It does not apply to investments in connection with public accounts, with regimental, police and other conjoint accounts or with security deposit accounts opened under the Post Office Savings Bank rules.

(3) An investor may apply either for the purchase of Government Promissory Notes under clause (5) or for an investment under the provisions of clause (6). A separate form of application is prescribed for each of these purposes and may be obtained at any Post Office.

(4) If the investor is already a depositor in the Post Office Savings Bank, he should present his pass-book with his application ; if he is not already a depositor, a pass-book will be prepared and delivered to him. Investments in Government Securities can be made either from money already deposited in the investor's Savings Bank account, or from money specially deposited for the purpose, or partly from the one and partly from the other.

(5) (*a*) Applications for the purchase of Government Promissory Notes will be for whole pieces of Government paper of Rs. 100, or any multiple of Rs. 100 subject to the maximum limit prescribed by clause (2).

(*b*) The investor should state whether he desires to utilize the investment in one of the 3½ per cent loans or in the 4 per cent terminable loan. He has also the option of taking delivery of the Government Promissory Notes or of leaving them in the custody of the Accountant-General, Posts and Telegraphs. In the latter case, a receipt from the Accountant General for the paper will be delivered to the investor. When the paper is to be delivered to the investor, it will be endorsed in his favour, enfaced for payment of interest at the district treasury and forwarded to the post office for delivery to the investor.

(*c*) The purchase will be made by the Accountant-General and the investor will be charged for the paper at the current market rate. The entries in connection with the investment will be noted in the pass-book by the head office.

(6) (*a*) Any person may invest sums of Rs. 100 or less in Government Securities in any of the 3½ per cent loans or in the 4 per cent loan, and obtain an Investment Certificate therefor, subject to the maximum limit prescribed by clause (2) and to the following special conditions:—

(*i*) The sum to be invested or the nominal value of securities to be purchased shall be in whole rupees and not less than Rs. 10.

(*ii*) The amount invested in this manner in a single calendar month shall not exceed Rs. 100.

(*iii*) The securities represented by Investment Certificates will remain in the custody of the Accountant-General.

(*b*) The Accountant-General will fix the rate at which Government Securities represented by Investment Certificates can be purchased. This rate will be communicated to head and sub post-masters and will remain in force until it is changed by the Accountant-General.

(*c*) When an application under this rule is presented at a head or a sub-post office, an Investment Certificate, signed by the head or sub-postmaster as the case may be, will be handed to the investor *across the counter of the post office*. When the application is presented at a branch office an Investment Certificate will be obtained for the investor from the head office or the sub-office to which the branch office is subordinate.

(*d*) In each case in which an Investment Certificate is issued by a sub-office, the investor will receive a confirmation by post from the head office showing the number, date and nominal value of the investment Certificate, and the cash balance left at credit of the account after the transaction. If the confirmation does not reach the investor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entries in the Investment Certificate or the pass-book, the investor should immediately apply to the postmaster of the head office and renew his application until he receives a satisfactory reply.

(*e*) An investor may exchange one or more Investment Certificates having an aggregate sanctioned value of not less than Rs. 100 for a whole piece of Government paper of Rs. 100 or any multiple of Rs. 100. If the total nominal value of the investment certificates tendered for exchange is not an exact multiple of Rs. 100 the investor may at his option obtain either (*i*) the next higher multiple of Rs. 100, if the balance in his Savings Bank account is sufficient for the purpose, or (*ii*) the next lower multiple of Rs. 100, in which case the balance will be handed to him in the form of an Investment Certificate or, if this is less than Rs. 10, will be credited, the proceeds being credited to his Savings Bank account. The investor has also the option of having the Government paper obtained in this way made over to him or held by the Accountant-General, as provided for in rule (5) (*b*).

Sale of Government Securities.

47. (1) Any investor may apply for sale through the Post Office of the whole or of any portion, of any Government Securities which may have been purchased for him through the Post Office, whether held by himself or held for him by the Accountant-General, provided that the securities bear no endorsement other than those made by and in favour of the Accountant-General and that, if only a portion of the Government Securities is specified for sale, the nominal value of this portion must not be—

(*a*) less than Rs. 10, or

(*b*) such a sum as would leave a balance of securities of the nominal value of less than Rs. 10.

In cases in which a portion only of a whole piece of Government paper is sold, any broken portion will be made over to the investor in the form of an Investment Certificate.

(2) A separate form of application is prescribed for the sale of (*i*) Government Securities and (*ii*) Investment Certificates. An application must be accompanied by—

(*a*) each of the Government Promissory Notes to be sold as are in the possession of the depositor, these being endorsed by him in favour of the Accountant General,

(*b*) the receipt referred to in rule 46 (5) (*b*) above, for such of the Government Promissory Notes to be sold as are in the custody of the Accountant-General, or

(*c*) the Investment Certificates,

as the case may be, and a receipt for them will be granted by the postmaster. The securities in whatever form will be sold by the Accountant-General at the current market rate.

(3) The result of sale will be intimated to the investor by the Accountant-General through the postmaster concerned, with the least possible delay after the receipt of the application. The proceeds of sale, together with any interest that may be due, will be credited to the investor's Savings Bank account in the first instance, and, if the normal or total cash limit of his account is thereby exceeded, the excess will not bear interest and must be withdrawn by the depositor.

NOTE.—Securities purchased in the name and on behalf of a minor cannot be sold during the minority, except by the minor's legally constituted guardian, and the definition of guardian in rule 1 of these rules does not apply to the sale of such securities.

Safe Custody of Government Promissory Notes.

48. (1) An investor may tender at a Post Office Savings Bank for safe custody by the Accountant-General, Government Promissory Notes which have been purchased for him through the Post Office,

provided that the securities bear no endorsements other than those made by and in favour of the Accountant-General. The tender must be made on the form prescribed for the purpose and the notes tendered must be endorsed to the Accountant-General.

(2) An investor may also, at any time, apply through the local post office for the delivery to him of any Government Promissory Notes which have been purchased for him through the Post Office. The application must be made in the form prescribed for the purpose. The notes will be delivered to the investor on his surrendering the receipt originally granted to him by the Accountant-General, duly endorsed in acknowledgment of his having received back the notes.

Interest on Government Securities.

49. So long as Government Securities purchased through the Post Office remain in the custody of the Accountant-General, under rules 48 (5) (*b*) and 48 (1), interest when due will be drawn and advised to the local Post Office Savings Bank by the Accountant-General for credit to the investor's account. If the annual or total cash limit of the account is exceeded, the excess will not bear interest.

NOTE.—In the case of Government Securities of the 3½ per cent loans represented by Investment Certificates, interest will, for the present, be due on the 1st May and 1st November each year. Interest on the 4 per cent terminable loan is due on the 31st May and the 30th November.

50. No fee, commission, or brokerage of any kind is charged for the purchase, sale, safe custody or delivery out of custody of Government Securities bought through the Post Office, or for the realisation and remittance of interest on such securities. So long as Government Securities purchased through the Post Office remain in the custody of the Accountant-General, under rules 48 (5) (*b*) and 48 (1), the interest thereon is exempt from income-tax.

No Provincial stipends will be sanctioned for teachers who hold permanent appointments in Board and Municipal schools.

9. For admission to the Secondary Training Class, candidates should have passed the late F.A. or Matriculation examinations. Persons holding such Secondary School Leaving Certificates signed by the Secretary to the Board for the award of such certificates as are accepted by the Inspector may also be selected. Teachers who have passed the Annual Examination of the third form or the seventh standard, or have been awarded an Elementary School Leaving Certificate of the seventh standard are eligible for admission into the Higher Elementary Training Class: those who have passed the late Primary Examination or a corresponding public or school examination or whose attainments are, in the opinion of the Inspecting officers, not lower than these are eligible for admission into the Lower Elementary Training Class.

Applications should be accompanied by certificates of general education and conduct in original. Certificates of physical fitness may be produced at the time the students are admitted for training.

10. Printed forms of applications can be obtained by the correspondents of secondary schools from the Inspector of Schools and all others should apply to the Sub-Assistant Inspectors of Schools of their ranges.

2. The assessment on the said land shall be liable to periodical revision in the same manner as that on ordinary ryotwari land, but no portion of the land will, at any time, be assessed at a rate higher than the appropriate dry, wet or garden rate for such land under the general scheme of settlement for the taluk in which the land is situated.

3. Government reserves to itself all gold and other minerals, coal and stone or rock containing or supposed to contain gold or other minerals, and coal known to exist or which may, at any time hereafter, be discovered on, in, or under the said lands or any part thereof, together with full and free liberty and right of ingress, egress and regress by nearest way at all times for Government servants, agents and workmen, and all persons duly authorised by Government in and upon the said lands, and either with or without horses and other cattle, carts, waggons, and other carriages and to erect on the said lands and use any engines and machinery for the purpose of searching for, working, getting and carrying away such gold and other minerals and coal and also to sink, drive, make and use upon the said lands, mines, pits, shafts, drifts, adits, air-courses and water-courses, and to use all water which may be lifted or raised from the same; also to appropriate and use any part of the surface of the said lands for placing thereon the minerals, waste, rubbish and other substances got from such mines, and generally to do all acts and things necessary or proper for working and getting such gold and other minerals and coal and rendering same merchantable, Government paying or rendering compensation to the purchaser, his heirs, representatives and assigns, for all damage he or they shall sustain by reason of the exercise of such right of way or by the erection and use of any such engines, machinery, or works or the exercise of all or any of such rights.

3. (a) The Government also reserve to themselves the right to control and regulate at their absolute discretion, the collection, retention, and distribution of the water in or under the said lands or any part thereof, of all rivers and streams flowing in natural channels and of natural lakes and ponds or of the water flowing, collected, retained or distributed, in, or by any channel or other work constructed at the public expense and in particular to interrupt or make material alteration in the quantity, quality, direction, force or temperature of the said water and to cut off, stop and hinder the whole or any portion of the supply of the said water without being liable in any case to pay compensation for so doing.

4. All existing and customary rights of Government and of the public in all existing roads and paths and in streams of water in the land shall be reserved.

5. All parties having claims on the said lands incompatible with the sale as herein notified are hereby required to prefer their claims on or before the day aforesaid to the undersigned.

The sale will be stopped or postponed as the case may require—

(1) If the applicant fails to deposit the charges for survey and demarcation of the lands where such survey or demarcation is necessary.

(2) If the application has been withdrawn by the applicant and the Collector decides in the public interests not to proceed with the sale.

(3) If the survey and demarcation of the lands have not been completed.

(4) If the sale has been ascertained to be objectionable on public grounds.

(5) If any claim of private ownership or exclusive occupancy or of any other right incompatible with the disposal of the lands under these rules has been preferred and is pending or is established.

Conditions of Sale.

The sale will be made subject to the following conditions:—

1. That the highest bidder above the upset price shall be the purchaser of the lot, and if any dispute arises between two or more bidders at the same price, the lot shall be immediately put up again at the last preceding undisputed bidding and re-sold.

2. That immediately after the lot is knocked down the purchaser thereof shall pay to the Collector or the officer authorized by him to conduct the sale a deposit of Rs. 10 per centum in part payment of his purchase-money and shall, at the same time, sign an acknowledgment in Form Y.

3. That the purchaser shall, within 30 days from the day of sale, pay to the Collector the residue of his purchase-money, and shall thereupon receive a patta for the premises in Form Z.

4. That every person desirous of becoming a purchaser is to satisfy himself as to the identity and correct description of the property and the measurement and boundaries of the premises previous to the sale, as, by having the lot knocked down to him, the purchaser thereof shall be held to have waived all objections to any mistakes that may afterwards appear to have been made in the description of the premises, as well as to any other error whatever in the particulars of the property.

5. That if from any cause whatever the purchase shall not be completed by the 30th day from the day of sale, then the purchaser shall pay to the Collector interest at the rate of Rs. 12 per cent per annum on the remainder of his purchase-money from the day of sale until the purchase shall be completed, without prejudice nevertheless to the right of re-sale reserved by the following condition, provided, however, that the whole of the purchase-money with interest shall be paid within one year from the date of sale.

6 That if the purchaser shall neglect or refuse to comply with the above conditions or any of them, his deposit money shall be forfeited, and retained by Government, and the Government shall be at liberty to re-sell the lot either by public auction or private contract without the necessity of previously granting a patta to the purchaser; and the deficiency, if any, arising from such re-sale, together with all expenses attending it, shall be made good by the purchaser at the present sale who shall so neglect or refuse on and for liquidated damages.

7. That the assessment on the land shall be paid from fasli 1326, i.e., from 1st July 1916.

8. That the land shall not be sold to any one other than a British subject except with the sanction of the Board of Revenue.

M. YOUNG,
Collector.

The wind, rain and general weather registered are for the current Civil Day—from midnight to midnight.

The total quantity of rain collected since January 1st is 0·03 Inch, the average due for the same period being 2·16 inches.
